

Prices and Fees

Sessions fees are to be paid at the time of your photoshoot.

Your photos will be proofed online at www.photogenicmemories.com under the events tab.

Sessions may be password protected at your request. Passwords WILL NOT be given out by me to noone.

Proofs

Proofs are not, and I repeat, ARE NOT touched up. Minor editing may or may not occur. That is at my discretion. Hairs, Blemishes and other imperfections are only removed on the photos that are ordered. That why there is a cost difference in the proofs and regular ordered photos.
